

Starting a new Club

If you have a new idea for a Club, we'd love to hear it! We want all Clubs to be unique and individual, so before you submit your application, look through our existing list of Clubs to see if there are any like your idea. If there are any existing Clubs that are like yours, you must outline how you are significantly different for the application to be considered for approval.

Applications will be open from July 27th and will be closing on August 14th (Week 2). You can apply via MyUSU.

To apply you need to:

1. Submit your model constitution using the template found within the form. Constitutions that do not follow the template will not be considered.
2. Complete the New Club Package with the following information:
 - a. Collect at least 20 signatures of current **USYD students with a USU membership**.
 - b. An event schedule you'll be running in your first semester
 - c. A proposed budget and expenses for your Club

Once you submit your application, it'll be reviewed within 2 weeks of submission. If your Club is determined to be substantially different from our current Clubs, your application will be taken to the C&S Committee for official endorsement. There may be times when the C&S Committee will request additional information or clarification on some items listed in your application and/or constitution. If the Committee approves your application, you'll be notified and given 30 days to hold your Inaugural General Meeting (IGM). If the Committee rejects your application, you will have the opportunity to appeal this decision.
